

The ultimate
in stone
protection

CLEARSTONE™

CLEARSTONE allows architects, designers and their clients the FREEDOM OF CHOICE to use marble, limestone, sandstone, and other stones for their beauty and opulent characteristics.

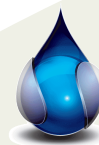

Restore your stone bench to its original pristine appearance and permanently protect it with CLEARSTONE. CLEARSTONE is ideal for

both domestic and commercial applications for either rejuvenating old stone or protecting new stones, used particularly in areas such as bars, kitchens and bathrooms.

“ Your product provides a silky smooth finish over multiple surfaces, and is protective against the most aggressive "bar action" possible. ”
-Peter Maddison, Maddison Architects

You won't have to worry about bacteria, odor's, stains or etchings getting into your stone anymore. Available from a Matt to a Full Gloss Finish that makes your Stone Surfaces easy to clean & maintain. CLEARSTONE turns Marble, Limestone & Sandstone into elegant worry free working surfaces.
